

KERAMOST

The manufacturer KERAMOST, a.s., ID No.: 49901222, in accordance with Act No. 102/2001 Coll. on General Product Safety and on Amendments to Certain Acts, as amended, hereby issues this:

MANUFACTURER'S DECLARATION,

declaring under its sole responsibility that the product:

NATURAL CRUSHED AGGREGATE – BASALT

supplied from the Rokle quarry near Kadaň in fractions:

0/22 mm, 16/32 mm, 45/90 mm, quarry stone,

meets the requirements of the technical specification according to the applicable material data sheet, Act No. 263/2016 Coll. (Atomic Act) and Decree No. 422/2016 Coll. on radiation protection and the security of radionuclide sources, as amended.

The product is particularly suitable for ground treatment and reinforcement, backfilling, embankments, fills, landscaping, etc. Under normal or reasonably foreseeable conditions of use, the product is safe and does not pose any risk during its specified or usual service life. The product is not intended for permanent incorporation into constructions if its use could affect the basic requirements for buildings.

The manufacturer KERAMOST, a.s. has a certified system according to ČSN EN ISO 9001:2016, 14001:2016 and 45001:2018, ensuring requirements for quality management, environmental protection and occupational health and safety. The implemented production control system ensures consistent product quality and guarantees that products placed on the market comply with the stated internal technical specification (material data sheet).

The product does not represent an increased risk to legitimate interests and, within the meaning of Act No. 22/1997 Coll., as amended, it is not a “designated product”. Regulation (EU) No. 305/2011 of the European Parliament and of the Council does not apply to this product, and no conformity assessment has been carried out.
